New Book Explores the Art of Texting with Simplicity and Style

Dallas, Texas (January 27, 2010) - Shawn Marie Edgington, author of new book [Read Between the Lines: A Humorous Guide to Texting with Simplicity and Style \(Brown Books\)](#) partners with Barnes & Noble Stores nationwide to promote the *art of texting*.

Fast-forward your ability to communicate in the world. Learn how to be cool with your kids. Get to the point. Be Clever, and figure out how to take advantage of this magical world of texting. It provides a creative, expressive outlet for a surprising range of uses. The time is NOW, so better to be hip than deleted!

Moms across America will become Texperts within minutes of opening **RBTL**. Such terms as **G2G** (Got to Go), **H&K** (Hugs and Kisses), and **OMW** -(On My Way), will quickly become second nature. **Parental 411**, **Post-Its on Steroids**, **Text Benefits for Anyone and Everyone**, and **Texting Tips and Tricks for the Text Savvy** are just a few of the topics Ms. Edgington covers.

RBTL provides readers with a Text Lingo Dictionary full of Mind-Blowing Texting Information and Fun Facts. You will learn the Golden Rules of Texting as well as Corporate Texting from Main Street to Wall Street. Pertinent lingo for emergency and public safety situations, as well as terminology for the blind, and the deaf and hard of hearing makes RBTL a valuable resource for people everywhere. Available at fine bookstores, Amazon.com and www.RBTLGuide.com
